

Home Theater Set CINEMATIC 5.0

wilson

DEPENDABLE HOME THEATER SPEAKER 5.0 SET WITH A CLASSIC LOOK

System for users who prefer simple solutions, without the need to go into deep details and technical nuances will enjoy also its classic design, without extravagance, putting the utility in the first place.

They will also love its very good sound, the pursuit of which does not ruin the household budget.

SYSTEM THAT PLEASES MOST USERS

The Wilson Cinematic 5.0 is ideal for home theater enthusiasts and music lovers alike. The system will meet the expectations of demanding audio equipment users.

BLACK FINISH WITH A WOOD LOOK

To finish the Cinematic 5.0 loudspeakers we used vinyl veneers with a characteristic, delicate embossing imitating the texture of wood. The set is available in black finish.

CLASSIC DESIGN FOR ANY INTERIOR

It is characterized by elegant and classic look. The columns fit into any interior: both classic and modern.

HIGH QUALITY COMPONENTS

In the construction of the speakers we can find high-end components, including comfortable speaker terminals, providing a secure connection to the cables.

Cabinets:BLACK
Grills:Black
EAN: 5903402873119

POWERFUL SOUND IN HOME THEATER OR STEREO

The cabinet design is a typical Bass-reflex with a characteristic element - a hole in the form of an expanding tunnel located in the back.

SPEAKER PLACEMENT VERSATILITY

Convenient, single speaker terminals provide a secure connection for speaker cables. The rigid and at the same time very light classical speaker membranes are made of a special type of paper.
