

Home Theater Set ESTRADA 5.0

COMPACT IN SIZE, BIG IN SOUND 5.0 HOME THEATER SPEAKER SYSTEM

Viper 5.0 set is dedicated primarily to multichannel systems and home cinema enthusiasts who require great sound. It will dramatically increase the quality of your favorite movies.

DEPENDABLE 5.0 HOME THEATER SOLUTION

Estrada is a great product for users who expect nice looking items and a little more from a product than just functionality. They will also appreciate the awareness of using products which are at least worth their money and more freedom to choose.

HIGH QUALITY SOUND FROM EACH CHANNEL

The set provides clean and powerful sound in all channels and it will surely satisfy even the most demanding user. Each speaker has been designed using components made of high quality materials.

GOOD LOOKING IN ANY INTERIOR

The loudspeakers cabinets feature an exquisite wood structure with high-quality veneers that look good in contemporary settings.

DETAILS THAT ADD TO THE APPEAL

The midrange drivers differ on the front panel of the speakers with their silver surrounds around the membrane, which are also made in silver, giving them visually all the dynamics and modern elegance.
