POWERFULL AND EXPRESSIVE SOUND 5.0 HOME THEATER SYSTEM

Great product for families where all household members have power over the TV remote control and reliability and simplicity is important. Safe fit into the environment, especially in small living rooms, as well quality reception is important. Of course without an expensive investment - it will also be an asset here.

HOME THEATER SYSTEM, GREAT ALSO FOR STEREO MUSIC LISTENING

MoviX 5.0 is a very carefully designed home cinema system meant for anyone looking for high quality audio equipment. It will work well in both modern home theater systems and stereo systems.

HIGH QUALITY MATERIALS AND CRAFTSMANSHIP

The system delivers the powerful and expressive sound that audiophiles and entertainment enthusiasts alike seek. The construction of the set includes top-quality components, and the classic design is emphasized by the wood structure visible on the veneer.

VERSATILE SOLUTION WITH TECH TWIST

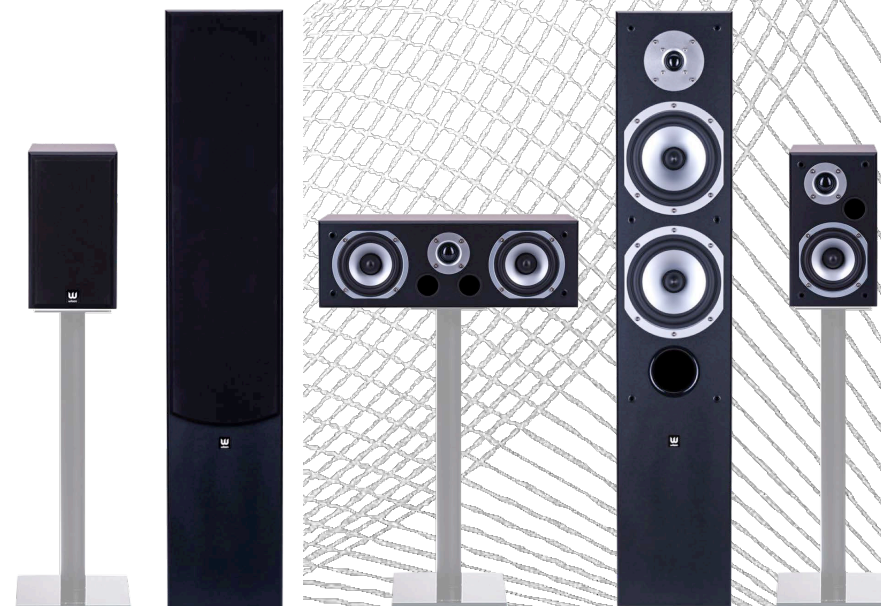

Offered in a black finish, MoviX is the most versatile solution to match your home's interior design. It can blend into any surrounding when covered with classic look grilles, or give some dynamic tech twist when the front panel is shown.

SILVER ACCENTS FOR DYNAMIC LOOK

Classic in its style, but with strongly contrasting membranes for all those who appreciate the sight of working drivers.

Cabinets: Wenge
Grills: Black
EAN: 5903402873669

BASS-REFLEX TYPE OF CABINET

The cabinet design is a typical Bass-reflex with a characteristic element - a hole in the form of an expanding tunnel located in the back.

PROVEN TECHNOLOGIES AND GREAT USABILITY

Convenient, single speaker terminals provide a secure connection for speaker cables. The rigid and at the same time very light classical speaker membranes are made of a special type of paper.
