SPEAKER CABLES ON ROLL

wilson

TOP QUALITY MATERIALS AND GREAT PERFORMANCE

Wilson offers only the best quality, oxygen free copper cables from recognized suppliers. Both, the insulation materials used and the construction of each cable meet the highest industry and quality standards.

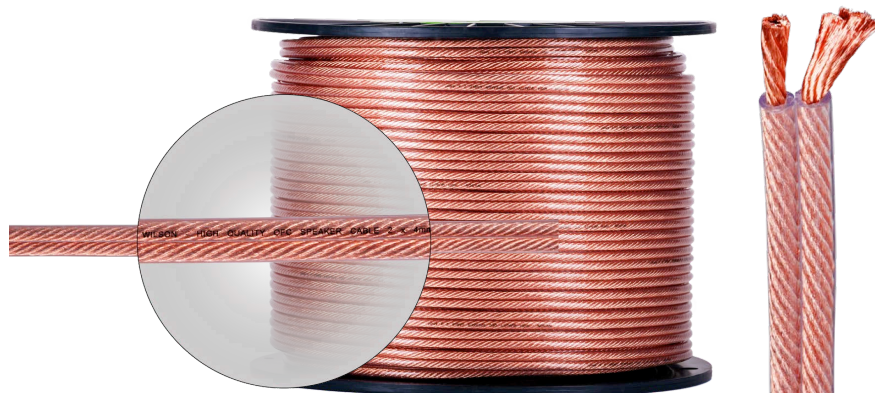

We have taken care to ensure optimum performance functions as well as best-selling lengths and packaging forms.

CONVENIENT FOR HOME APPLICATIONS

Reel-to-reel voice cables are offered to professional sound system installers, stores and advanced audiophiles who prepare their audio systems themselves.

GREAT COPPER QUALITY AND CONDUITY

We offer basic and most commonly used lengths and thicknesses of two-wire cables.
